NEWS FROM THE VIA ALGARVIANA PROJECT

AWARENESS SESSIONS

The *Via Algarviana* management team will perform during the months of June and July actions to raise awareness and enlightenment to all those interested in knowing the actions contemplated in the application.

The sessions that will take place in a location and time yet to be defined, will be carried out in all the 11 municipalities partners of the project and open to the general population. The objectives of this action consists in presenting the results obtained so far with the project, identify and explain the actions planned until the end of the year in the municipality, try to understand how companies and people can benefit with the *Via Algarviana* and take advantage of its resources .

The **first session** will take place on **June 4**, at **19:30**, in the **Centro Náutico** (Nautical Centre) of **Alcoutim**.

Stay tuned to Via Algarviana **facebook** as we **will briefly disclose the date of the next sessions**.

VIA ALGARVIANA MAINTENANCE Cabo de S. Vicente – Sagres

The Via Algarviana is 300 km long path in which there is various ranges of signage, paintings, poles, etc. that must be maintained and often replaced due to vandalism.

On May 16 we carried out another maintenance action on Via Algarviana, this time the sector was N. 14 on the *Cabo de S. Vicente*, in *Sagres*. Our thanks to the municipality of *Vila do Bispo* and *Sagres* parish council for their help in logistics and materials for this action.

WE WERE PRESENT IN ...

- Cercal, at the *Herdade da Matinha* (rural tourism house) on last May 11, where took place the inaugural event of *Rota Vicentina* a project promoted by the *Casas Brancas* Association, in which *Almargem* is the co-promoter for the Algarve, through the application "Via Algarviana II - Ecotourism in the interior of the Algarve."

DID YOU KNOW ...

- In just two days we have exhausted the subscriptions for the Experimental path and future Geology Route, scheduled for June 2, in Marmeleite, in the municipality of Monchique? Thank you for all your interest!

-The Via Algarviana informative guide has been downloaded from our website 2508 times this year?

-The Via Algarviana Facebook had 105 "LIKE" only this month? We have a 1425 people "Liking" our project ...

NEWS

- On May 23, the ecotourism technician of Via Algarviana management team was in the field with the technicians from the municipality of *Portimão* Filipe Bally and Sara Roda lifting the signage and GPS tracks for the additional path (circular) to the *Via Algarviana* in *Alvor*, the track name will be "**Ao sabor da maré**". The path in question is not new, what we want with this action is to provide the validation and signage in accordance with the rules of the *Federação de Campismo e Montanhismo de Portugal* (FCMP) for future approval.

We thank the technical support provided by the municipality and by the technicians.
